Business Networking Alliance represents a cross section of the business community in the Greater Pasadena and San Gabriel Valley areas. Each member represents a specific business classification. No conflicts of interest between members' businesses are allowed. The purpose of Business Networking Alliance is to promote the growth of one's own business and that of the group's members by means of mutual support, giving preference to group members in personal and business purchases of goods and services, quality networking, and giving qualified business referrals in a spirit of fairness and integrity.
